Terms & Conditions

Our Trading Policy

We are dedicated to giving our customers and client's total satisfaction. If there is any aspect of our service with which you are dissatisfied or which you feel could be improved, please let us know - You can send an email, write, or telephone us at the address below.

Our Main Services

You must be **18 years of age or older** to use our services. To pay by credit or debit card, you must be the cardholder or the cardholder must be present when payment is made. Please note that all calls are recorded for your, and our, protection. The nature, duration, and cost of our remote viewing services are agreed between you and the consultant. Unless agreed otherwise, the service (services like **problem solving solution packages** and **psychic readings**) starts **immediately** the order is placed and paid for. This means that you have reserved our consultant for the agreed period and we are **unable** to accept a cancellation or refund. Whilst we make every effort to achieve a satisfactory outcome for you, we **cannot** guarantee a result since very often a successful outcome depends on **your** cooperation, and upon the accuracy and completeness of the information you give us in respect of the work you have commissioned, Kaz **cannot** be expected to obtain a positive outcome if her work is based on inaccurate information which is untruthful or you fail to follow advice given to you by Kaz and it will also put **you** in breach of any contract of work which you commission Kaz to undertake for you.

Positivity

We strongly recommend that you try your best to maintain a positive mental attitude toward the work we undertake for you as we have found that this not only helps you in life but it also helps attract a positive outcome to our work for you! **The results of our work for you need to be completed fully, before the desired outcome can be seen or achieved** and all of the advice given is followed. Once remote viewing work is commenced we **cannot** offer refunds.

Mental Illness & Personality Disorders:

Whilst Kaz Psychic is sympathetic toward people with mental illnesses or personality disorders, Kaz is **unable** to assist you because her compliance with a code of professional ethics means that she respects your vulnerability, something which Kaz will never seek to exploit. In the light of this, **you** will be in breach of any contract of work between yourself and Kaz, if you commission work with Kaz, knowing that you have a mental illness or personality disorder. Mental illness and personality disorders can often block the success of any work undertaken by Kaz.

Acceptance of Terms

By placing an order with us you are agreeing to be bound by our terms and conditions. By agreeing to these terms, your statutory rights are not affected. **July 2015. Kaz Psychic.**
